SR5600 Wearable Scanner

- **Superior Scanning Performance**

Accurately decodes various complex 1D/2D codes at remarkable speed, reducing lag time.

- **950mAh Removable Battery**

Delivers over 20 hours of runtime at room temperature, eliminating the need for frequent charging and ensuring uninterrupted performance during long shifts.

- **NFC One-Tap Pairing, Instant Connection**

Simplifies the setup process—just tap to connect and start using immediately, saving time and effort.

- **Multiple Wearing Options**

Supports ring, glove, and lanyard modes. Ring and glove fit either hand with trigger buttons for instant scanning, adapting to different user habits and freeing your hands for other tasks.

- **Bluetooth 5.3 for Seamless Connectivity**

Ensures stable connections with various devices and allows smooth switching between them, enabling greater flexibility at work.

- **Rugged Industrial-Grade Protection**

IP65-rated dust and water resistance combined with 1.8-meter drop protection ensures reliable performance even in demanding work conditions.

SR5600 Wearable Scanner Specifications

Image Sensor
1280 × 1080 CMOS
60 fps

Illumination
White LED

Aimer
Red Cross Laser
650 nm

Field of View
Horizontal 38°
Vertical 33°

Scan Angle
Rotation 360°
Tilt ±65°
Skew ±65°

Minimum Resolution
≥ 3 mil

Print Contrast
Minimum 20%
Reflectance Difference

Reading Feedback
Vibration, Buzzer,
LED Indicator

Symbology Reading
Supports all common
1D and 2D barcodes

Weight
75 g

Dimensions
63 × 33 × 19.5 mm

Indication Modes
Buzzer
LED Indicator
Vibration

Power Source
950 mAh
Removable Battery

Wireless
Bluetooth 5.3
range up to 80 m

Pairing
NFC Quick
Pairing

Operating Temperature
-20 °C to 50 °C

Humidity
5%–95% RH
(non-condensing)

Storage Temperature
-30 °C to 70 °C

ESD Protection
±15 kV Air Discharge
±8 kV Direct Discharge

Protection
Rating IP65
1.8 m Drop
Resistance
